1. Purpose

- 1.1 The purpose of the Post Secondary Student Support Program (PSSSP) is intended to assist Registered Status Indians registered to the Indian Act Bands located within the Gwich'in Settlement Area (GSA) who otherwise may not qualify for post secondary funding offered by the Northwest Territories (NWT) Student Financial Assistance Program (NWT SFA) due to territorial residency program. The program serves to ensure eligible individuals have access to financial supports to improve employment outcomes, reduce gaps in employment, earnings and skills that will lead to eventual higher paying jobs.

2. Policy Statement

- 2.1 The Gwich'in Tribal Council (GTC) Education and Training Department was established after the Gwich'in Comprehensive Land Claim Agreement (GCLCA) was signed in 1992. The full and successful implementation of the GCLCA will depend on having fully trained beneficiaries employed by Gwich'in organizations and other organizations and sectors.
- 2.2 To ensure that Gwich'in Participants (Participants) become more skilled and employable, it is essential that
 - 2.2.1 Education and training be given a high priority among Participants;
 - 2.2.2 Eligible Participants have the necessary tools, resources, and financial supports to access further training, education, and employment opportunities;
 - 2.2.3 Education and training be given a high priority as reflected in the priorities of the GTC, its subsidiaries, and associated organizations.
- 2.3 This will ensure that Participants attain the necessary knowledge and skills to fully staff positions in all Gwich'in Organizations and will also ensure that Participants are able to participate in other sectors of the economy, such as in government and the community at large.

3. Source of Funding

- 3.1 The GTC has three funding sources available to support education and training initiatives:
 - 3.1.1 Gwich'in Education Fund allocated through the GTC budgeting process;
 - 3.1.2 Indigenous Skills and Employment Training Strategy (ISET) Program;
 - 3.1.3 Post Secondary Student Support Program (PSSSP) with Indigenous Services Canada;
- 3.2 This document only addresses funding under the PSSSP Program.

4. Eligibility

- 4.1 The GTC signed an agreement with Indigenous Services Canada acknowledging the PSSSP funding allocation is distinction based and where student financial supports will be provided to registered status Indians registered to the Indian Act Bands located within the GSA.
- 4.2 The GTC recognizes that current student financial funding programs delivered in the NWT limit access to Registered Status Indians who do not meet existing program criteria due to funding limitations and or NWT residency requirements. Funding requests will be determined based on availability of funds.

- 4.2.1 If a funding request is considered under section 4.2, Participants shall follow section 11 Scholarship Approval Process.
- 4.3 Eligible applicants must:
 - 4.3.1 Be a Registered Status Indian under the Aklavik, Inuvik, Tsiigehtchic or Teetlit Gwich'in Council Indian Act Bands;
 - 4.3.2 Have been accepted and enrolled in a recognized post-secondary education program at an eligible educational institution;
 - 4.3.3 Not qualify to receive student financial assistance from NWT SFA.
 - 4.3.4 Be in good standing with the GTC (including funding provided under ASETS/ISETS, Gwich'in Education Fund and NWT SFA). Funding will not be considered until satisfactory repayment arrangements have been made.
 - 4.3.5 Must not be in receipt of any ISET Program or other similar federal program funding.
 - 4.3.6 Must not be in receipt of any Provincial or Territorial Canada Student Grants or Student loans that are considered remissible or forgivable as these are from the same funding source as the PSSSP funds.
