Din gwiinzii Sonny,

The Election Committee has just completed our first day of meetings and we have some questions that we would like to have answered to help us with this process.

These questions are all financial in nature.

1) In your Facebook post of August 4th, you thank Diane Emma Koe for accompanying you on the campaign trail south. It was great to have someone to help coordinate, set up the meeting locations and keep the spirits up. It is noted that you have not accounted for any expenses for her. Can you please provide us with receipts for her air travel and accommodations?

2) The accountabilities for your airfare and hotel are not true receipts. They appear to be from an app or program similar to TripIt or another itinerary generating program. Can you please provide us with the actual receipts for the airline tickets as well as hotel accommodations. You may use a copy of a credit card transaction record with unrelated items blacked out.

3) Can you please provide us with the receipts for your signs. These were not included in your report.

4) Can you please provide us with the receipt for the automated texting service you used

5) Could you please provide us with the receipt for the company you used to moderate, stream and set up your online Town Hall Meetings. Possibly The Alberta Council?

These can be scanned, sent by text or delivered to my office hopefully tomorrow. This will certainly help us move forward

Vahn gwiinzii Sonny,

Attached please find a copy of Ken Kyivavichik's letter of Appeal that was sent to me. This is a courtesy and the Election Committee feels it is a matter of procedural fairness.

We await your reply to our financial questions in our previous email.

Sonny,

We understand that you have just received a copy of the Appeal Letter and that you want to respond. We are under such a tight timeline of 5 days to respond and write a report. Our first day was spent gathering the committee together. If you could please send us the information we requested yesterday, August 21st, you may respond to the balance of the letter at your convenience.

We feel we are being fair with our request .

Vahn Gwiinzii Sonny,

I am attaching the original letter that I sent to you with our original 5 financial questions from the Election Committee.

It is extremely important that you answer our questions. This will allow us to continue our work.

Sending you the Letter of Appeal was a courtesy for your information only. As required, we are conducting our investigation as By-Law #1 and the Policy & Procedure Manual require. Our investigation is based on the evidence provided.

Please respond to our questions.
